LDWF Clearance – February 2026

Terms & Conditions of Sale

Effective Date: 25.01.2026

Seller: Locks, Door and Window Fittings Ltd ("we", "us", "our")

1. Promotion Overview & Scope

1.1 This clearance promotion applies to selected products sold as:

- Ex-display items
- Clearance stock
- End-of-line, discontinued, surplus, or overstocked products ("Clearance Items").

1.2 All Clearance Items are clearly identified at the point of sale.

1.3 These Terms & Conditions apply in addition to our standard Terms of Sale and shall prevail where they specifically relate to clearance or ex-display goods.

1.4 Clearance Items are offered at reduced prices to clear remaining stock and are available for a limited time only.

1.5 Promotional Price Comparison

References such as "cheaper than a cup of coffee" are illustrative price comparisons only, based on typical UK high-street pricing for the largest size milk-based barista drinks (commonly £4.00–£6.00, varying by retailer, location and customisation).

This comparison applies only to selected clearance, ex-display or end-of-line items, while stocks last, and does not represent a direct product comparison or contractual statement of value.

2. Availability & Stock

2.1 All Clearance Items are offered strictly subject to availability.

2.2 Once stock is sold, no backorders, substitutions, or special orders can be accepted on clearance lines.

3. Condition of Goods

3.1 All Clearance Items are sold as seen.

3.2 Items may show signs of storage, handling, or display, including but not limited to:

- Surface scratches, scuffs, marks, dents, chips, or abrasions
- Colour variation, fading, or grain variation
- Minor edge damage
- Handling, storage, or warehouse marks
- Packaging damage

3.3 These characteristics are cosmetic in nature unless expressly stated otherwise and do not constitute faults.

3.4 Any significant defects known at the time of sale will be disclosed.

3.5 Customers are strongly advised to inspect goods prior to purchase where possible. Inspection (or completion of purchase) confirms acceptance of condition.

4. Sold as Seen

4.1 Clearance Items are sold strictly "as seen" and "as described at the point of sale".

4.2 Customers should request any clarification before ordering if inspection is not possible.

5. Returns, Refunds & Exchanges

5.1 Except where required by law, all Clearance Items are:

- Non-returnable
- Non-refundable
- Non-exchangeable

5.2 This includes, but is not limited to:

- Change of mind
- Cosmetic marks, finish variation, surface scratches, scuffs, marks, dents, chips, or abrasions
- Colour variation, fading, or grain variation
- Incorrect size or specification ordered
- Surplus quantities
- Packaging damage
- Minor edge damage

6. Statutory Rights & Faulty Goods

6.1 Nothing in these Terms affects your statutory rights under the Consumer Rights Act 2015.

6.2 If a Clearance Item is proven to be faulty (excluding cosmetic issues associated with clearance status), we will:

- Repair the item, or
- Replace it with the same or an equivalent product (subject to availability), or
- Issue a refund where repair or replacement is not possible.

6.3 Cosmetic imperfections, finish variation, prior use marks, or packaging damage do not constitute faults.

7. Consumer Cooling-Off Rights

7.1 Where goods are purchased in person, consumer cooling-off rights do not apply.

7.2 For distance or online purchases, returns are excluded where goods are sold at a reduced price due to imperfections or condition, as permitted under UK consumer law.

8. Measurements, Specifications & Trimming

8.1 All measurements are nominal only.

8.2 Customers are responsible for:

Confirming sizes
Checking trimming allowances
Ensuring suitability for their intended application

8.3 We strongly recommend that doors are measured and installed by a qualified carpenter or joiner.

9. Compatibility & Compliance

9.1 Clearance Items may not be suitable for:

Fire-rated applications
Acoustic, security, or regulated uses

9.2 No guarantees are given regarding:

Fire certification
PAS24, acoustic ratings, or performance standards

unless explicitly confirmed in writing at the time of sale.

10. Installation & Use

10.1 Clearance Items must be installed and used strictly in accordance with manufacturer guidance and applicable regulations.

10.2 We accept no liability for issues arising from incorrect installation, misuse, or modification.

11. Warranties & Guarantees

11.1 Manufacturer warranties may be reduced, limited, or not applicable to Clearance Items.

11.2 No manufacturer's warranty applies unless expressly stated in writing at the point of sale.

11.3 Any implied warranties relating to appearance or cosmetic condition are excluded to the fullest extent permitted by law.

12. Pricing & Discounts

12.1 All prices reflect the clearance status of the product.

12.2 Discounts cannot be applied retrospectively or combined with other promotions unless agreed in writing.

13. Liability Limitation

13.1 Our liability is limited to the purchase price paid for the goods.

13.2 We shall not be liable for:

Consequential or indirect losses
Installation or labour costs
Project delays or associated expenses

arising from the purchase or use of Clearance Items.

14. Collection, Storage & Delivery

14.1 Goods must be collected or delivery arranged within 10 days of purchase unless agreed otherwise in writing.

14.2 Storage beyond this period may incur charges or result in forfeiture without refund.

14.3 Risk passes to the customer:

On collection, or
Upon delivery to the specified address
Delivery times are estimates only.

15. Title & Risk

15.1 Title to goods remains with us until payment is received in full.

15.2 Risk transfers to the customer once goods are collected or leave our premises.

16. Trade & Commercial Customers

16.1 Trade customers acknowledge that purchases are made in the course of business.

16.2 Consumer protection legislation does not apply to trade sales where permitted by law.

17. Promotion Changes

17.1 We reserve the right to amend these Terms & Conditions, withdraw the promotion, substitute products, or correct pricing or description errors at any time without prior notice.

18. Governing Law & Jurisdiction

18.1 These Terms & Conditions are governed by the laws of England and Wales.

18.2 Any disputes shall be subject to the exclusive jurisdiction of the English courts.

19. Acceptance of Terms

19.1 Purchase of any Clearance Item constitutes full acceptance of these Terms & Conditions.

19.2 No variation or waiver shall be valid unless confirmed in writing by us.
