A Stunning Range of Interior Residential Door Handles

Discover the Distinctive and
Eternal Style of  **Fortessa™**

Our designs are brought to life by highly skilled craftsmen and engineers. Strict Quality Control Measures are exercised at every stage, from die casting and machining to polishing and galvanization. Each of our products undergo specialist lacquer treatments, to provide a high resistance to shocks and abrasions and to help maintain their natural shine long into the future.

Performance, Quality, & Precision

- Ⓢ All products undergo thorough testing at all stages of manufacture.
- Ⓢ All Levers must comply to strict quality examinations.
- Ⓢ Each Lever is assessed for its resistance to corrosion and scratches.
- Ⓢ Performance of all working parts is rigorously tested.
- Ⓢ And finally, before dispatch, all collections are carefully checked by eye to ensure their perfection.
- Ⓢ All levers meet DIN EN 1906 Interior Residential classification standards
